

NEW07d015.CMYK — high res owned

A VERY SPECIAL DELIVERY

Our new Women and Children's Center in Roseville. Opening January 2009.

The birth of your child should be everything you've ever dreamed of. That's why we're excited to announce our new arrival—labor and delivery services at the Kaiser Permanente Roseville Medical Center. Scheduled to open January 2009, our new Women and Children's Center was designed with your comfort and convenience in mind. You'll find everything from state-of-the-art maternity care to beautiful private rooms for you, your baby, and members of your family. To find out more, visit kp.org/roseville.
